## GUIDELINES FOR MAKING AN AUTHOR'S OR EDITOR'S BOOK PROPOSAL

Please cover the following in your proposal:

1. Give your name, address, e-mail address and telephone numbers (mobile, work and/or home).
2. Suggest a possible title and sub-title (if any) for the book.
3. Send a short Curriculum Vitae including date of birth and citizenship.
4. Give an overview of the book's intended readership (giving the specific academic level, if applicable) and its aims/main message. Provide a succinct (200 words or less) description of your book (to be used for promotional purposes). Indicate if it is all original material or, if not, clarify which material has been previously published.
5. Include a draft table of contents. Please give brief abstracts/summaries of the contents of each chapter and 6-8 keywords for each chapter. If the book is an edited collection please include the name and email address of each contributor and a short bio statement for each.
6. List any books you know of that might be regarded as competitors, detailing for each the author, title, publisher, date and price - and EXPLAIN HOW YOUR BOOK DIFFERS FROM EACH.
9. Please give the planned extent in number of words of the book.
10. Roughly how many figures, diagrams and illustrations (not tables) will there be? Images will generally be reproduced in black and white unless special provision/subsidy is obtained for colour images. The author/contributor will be responsible for clearing all image and text permissions and for paying any ensuing fees. We require copyright clearance for world English language rights, print and ebook. Images must be supplied at 300 dpi or above separately from the text file.
11. You will be required to provide an index at proof stage.
12. When do you expect to deliver the final manuscript?
13. Please give the names and addresses of two or three persons who are qualified to give an opinion on your work in this area. We may use either these or other scholars as reviewers.

THANK YOU FOR CONSIDERING EQUINOX AS THE PUBLISHER OF YOUR BOOK!
